

Configuring Celoxis

Configuring Celoxis for single sign-on (SSO) enables administrators to manage users of Citrix ADC. Users can securely log on to Celoxis by using the enterprise credentials.

Prerequisite

Browser Requirements: Internet Explorer 11 and above

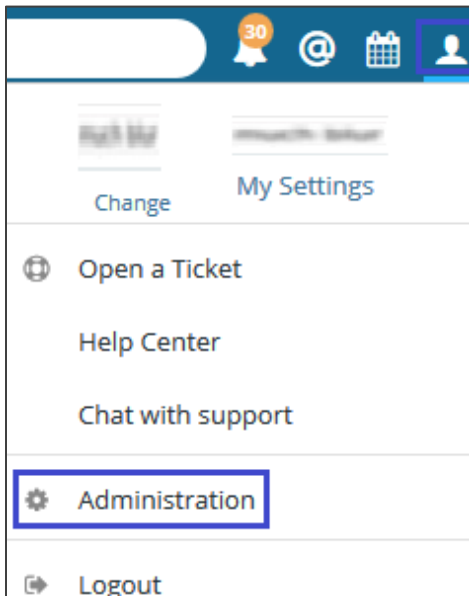

To configure Celoxis for SSO by using SAML:

1. In a browser, type <https://www.celoxis.com/> and press **Enter**.
2. Type your Celoxis admin account credentials (**Email or Login** and **Password**) and click **Login**.

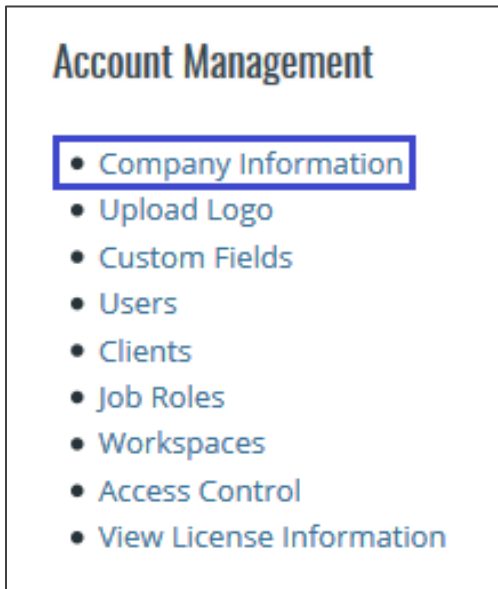

The screenshot shows the Celoxis login interface. At the top center is the Celoxis logo, which consists of a blue square icon with white horizontal lines and the word "CELOXIS" in a bold, blue, sans-serif font. Below the logo are two input fields. The first is labeled "Email or Login*" and contains a blurred text entry. The second is labeled "Password*" and contains a series of black dots. Below these fields is a checkbox labeled "Stay signed in". At the bottom of the form area, there are two links: "Forgot Login or Password" and "v11.1 Release Notes". A large blue button with the text "Login" is positioned at the bottom center of the form.

3. Click the user profile icon present at the top-right corner and select **Administration**.

4. In the left panel, select **Company Information**.

- In the **Single Sign-On** section, select **Test** check box and enter the values for the following fields.

Field Name	Description
ACS URL	Accessing URL
Entity ID	Entity ID
IDP Entity ID	IDP Entity ID
IDP URL	IDP URL
IDP Certificate	Upload the IdP certificate. The IdP certificate must begin and end with -----Begin Certificate----- and -----End Certificate----- Note: The IdP Certificate is provided by Citrix and can be accessed from the link below: https://ssb4.mgmt.netscalergatewaydev.net/idp/saml/templatedtest/idp_metadata.xml

The screenshot shows the 'Single Sign-On' configuration page. At the top, there are two tabs: 'Basic' and 'Single Sign-On'. Below the tabs, there is a 'Status' section with three radio buttons: 'Off', 'Test', and 'Live'. The 'Test' radio button is selected and highlighted with a blue box. Below the status section, there are several input fields: 'ACS URL' (containing 'https://app.celoxis.com/psa/person.Login.do?'), 'Entity ID *' (containing 'celoxis.com'), 'IDP Entity ID *', and 'IDP URL *'. At the bottom, there is an 'IDP Certificate *' field containing a long alphanumeric string. The 'Save' and 'Cancel' buttons are located at the bottom right of the form.

- Finally, click **Save**.
